FACILITY

Eastside Athletic Club - pool, gym, clay courts, hard courts and meeting room with audio visual equipment.

PARENTS

Our staff is trained to realize that they are dealing with the most important people in your lives.

We think the HPTA is one of the most important investments you can make in your child's life.

Because in addition to fun and friendship, we stress life skills—discipline, commitment, dealing with adversity, sportsmanship, work ethic, motivation, goal setting, accountability, integrity, self confidence and being a good person in a safe disciplined environment.

We believe in coaching more than just tennis as we understand character and habits drive accomplishment !

The academy's whole goal is getting
